

An aerial photograph of a golf course situated on a coastal peninsula. The golf course features green fairways, sand traps, and a clubhouse building. The coastline is rugged with rocky outcrops and sparse vegetation. In the background, there are rolling hills and a large body of water under a blue sky with scattered clouds. A white rectangular box is overlaid on the center of the image, containing the text 'TASMANIA GC MEMBER FEEDBACK SUMMARY' in white, bold, sans-serif font.

OVERALL SENTIMENT

Based on 150+ written member responses

- Members are generally **very supportive of the course, board and staff**, with many comments acknowledging that:
- Greens and fairways are **in good condition**
- The **course has excellent potential**
- Members support **long-term improvements and the master plan**
- However, the survey clearly highlights several **priority areas where members believe improvements should be focused before new projects begin.**

KEY MEMBER PRIORITIES

1. Course Presentation & Clean-Up

- The most common feedback relates to **general course tidiness**.
- Members frequently mentioned:
- Debris left from tree removal
- Untidy rough and cleared areas
- Sticks, branches and mulch piles between holes
- Areas where work has started but **not fully finished**
- **Member message:**
- Finish existing work and clean up the course before starting new projects.

KEY MEMBER PRIORITIES

2. Bunker Quality & Maintenance

- Bunkers were one of the **most consistently raised concerns.**
- Members reported:
- Hard or compacted sand
- Inconsistent bunker conditions
- Poor raking
- Difficult entry/exit for older members
- **Member message:**
- Improve bunker sand quality and maintenance.

KEY MEMBER PRIORITIES

3. Rough Playability

- Many members said the rough is **too penal and difficult to play from.**
- Key concerns:
- Dense rough causing lost balls
- Large amounts of debris
- Pigface spreading into playing areas
- Slow play caused by searching for balls
- **Member message:**
- Rough should be challenging but still playable.

KEY MEMBER PRIORITIES

4. Tee Surfaces

- Several tees were identified as needing improvement.
- Members mentioned:
- Uneven tee beds
- Worn or patchy surfaces
- Specific concerns about **9th tee**

5. Pathways & Safety

- Members raised safety and accessibility issues:
- Worn or uneven paths
- Tree roots creating trip hazards
- Some areas lacking proper pathways
- This was raised particularly in relation to **older members.**

KEY MEMBER PRIORITIES

6. Practice Facilities

- The **driving range and practice areas** were frequently mentioned.
- Members suggested:
- Better range turf management
- Improved practice greens
- Upgrades to short-game facilities
